

2025 PARTS CLEANING WORKSHOP AT A GLANCE

"Very interactive, memorable and creative delivery of complex chemistry concept and reaction mechanism."

- **DANYU**
Chemical Engineer
Pratt and Whitney

"The hands-on workshop aided learning and helped us remember the material. The networking was good too and I appreciated the willingness of the instructors to help us in the future with connections to their knowledge base and contacts."

- **AARON ARCHACKI**
Engineer
Swagelok

**A FULL DAY
OF HANDS-ON
LEARNING**
